WHITEBOARD STORIES :

**If You Wrote a Book About Your
Life....**

What would the title be? What would be on the cover?

What section would it be in?

**In October 2014, the State College
of Florida Libraries asks Venice
Campus students to draw and
write their answers.**

These are the Whiteboard Stories.

Tough Luck

Since in grade 10 it's a test book. The cover art is boring and cliché, the title is more interesting than the cover art, and the genre is interesting.
